

FULLY SUBSIDIZED PROGRAM

WHAT IS IT ALL ABOUT?

• A Government driven initiative by HRD Corp, in collaboration with MITI, designed to empower SMEs in the manufacturing and related sectors to fast-track their digital transformation. This program aligns with the national Industry 4.0 agenda, boosting productivity and competitiveness.

WHY IS THIS IMPORTANT?

- Help SMEs embrace Industry 4.0 technologies. Facilitate funding for relevant training programs.
- Bridge skills gaps to drive transformation.
- Ensure SMEs are ready for high-tech adoption.

WHO ARE ELIGIBLE?

- EMPLOYEES FROM THE Malaysian SMEs in manufacturing or related services.
- Registered with HRD Corp and contribute LEVY.
- With 5-200 employees and 60% local equity.
- Operating for at least 36 months with licenses.
